Signing Up

STEP 1:

Visit the Canada HomeShare application page on Happipad:

https://app.happipad.com/?referrer_link=www.canadahomeshare.com

STEP 2:

Select that you are registering as a Renter (home seeker).

I am a Host

With a room for rent

I am a Renter

Looking for a room to rent

How does Canada HomeShare and Happipad work together?

Canada HomeShare has established a dynamic partnership with Happipad. Serving as the seamless application overseeing all aspects of matching, payments, and interactions, Happipad brings efficiency to the forefront. Meanwhile, Canada HomeShare takes the lead in introducing participants and sponsors to the program's invaluable benefits through the guidance of expert leaders in the field. Canada HomeShare goes above and beyond, offering not only education but also an array of homesharing resources to enhance the overall experience for all involved.

Signing Up

STEP 3:

Complete the required information for registration. You can go back if you need to change or update an answer. Don't forget to confirm your email address through the link sent to your email.

The registration process has 4 parts:

Part 1 - Background information

- such as where you would like to live, when you would like to move in, your budget for rent, your typical schedule, etc.
- Use the tell us more box to describe yourself. Consider things such as:
 - Student or work status
 - Your typical day to day schedule during the week
 - Your typical weekend schedule
 - Any words to describe your personality
 - The type of rental you are looking for

TIP: If you aren't ready to make your profile public, you can select no and change it at any time by returning to the dashboard.

Part 2 - Lifestyle & Interests

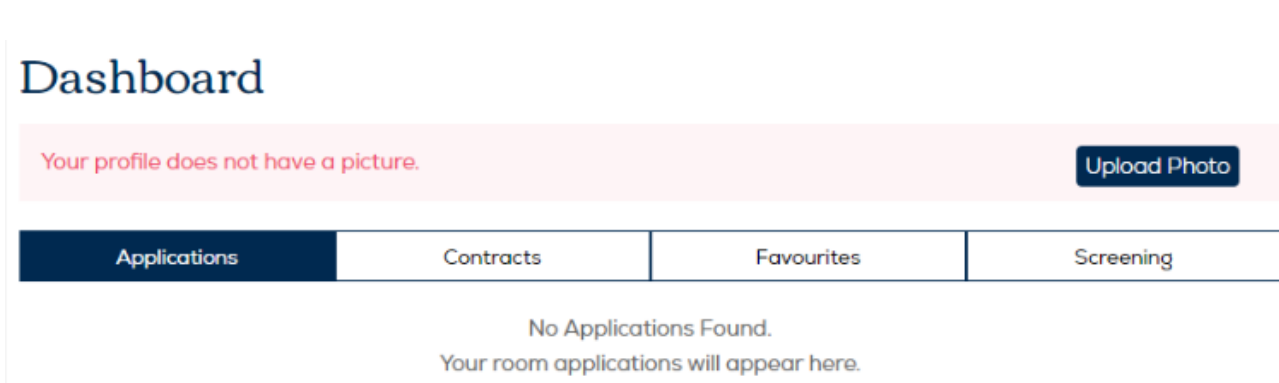

- such as if you require parking, how often you have friends over, your hobbies and interests, your preferred noise level of your environment etc.

Signing Up

Part 3 – Habits

- such as how often you clean your home, your bedtime, alcohol/cannabis preferences etc.

Success! You can now view your Dashboard.

The screenshot shows a user dashboard with the title "Dashboard". At the top, there is a pink notification bar that says "Your profile does not have a picture." with an "Upload Photo" button. Below this is a navigation bar with four tabs: "Applications" (which is active and highlighted in dark blue), "Contracts", "Favourites", and "Screening". The main content area displays the message "No Applications Found. Your room applications will appear here."

Part 4 - Screening Verification

Here you will be asked to complete a police record check for yourself. You will be asked to pay a one-time screening fee of \$22.00.

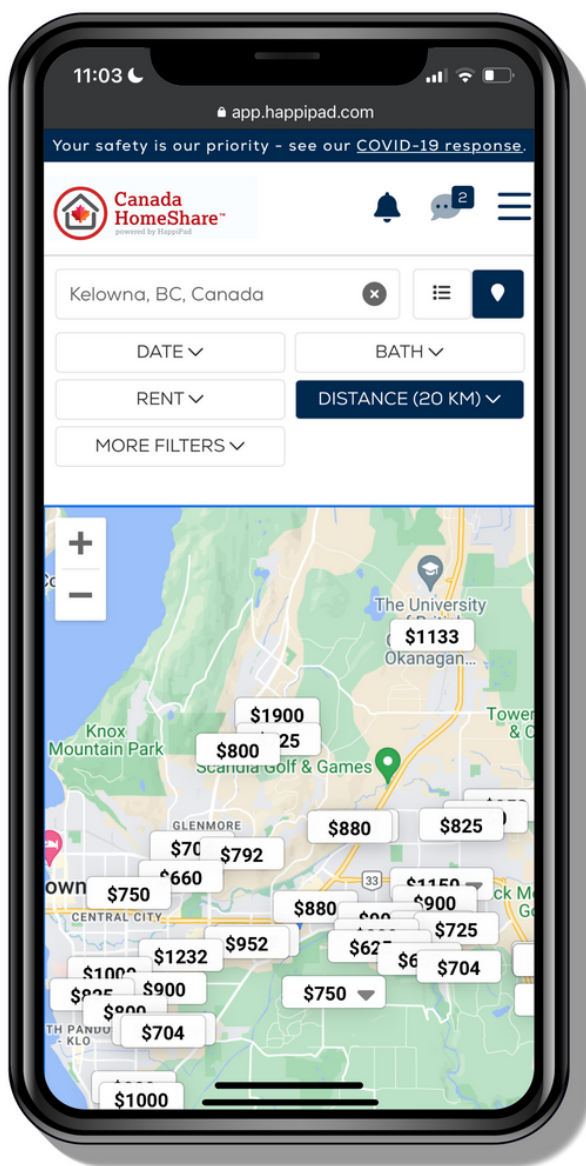

- *You will need to provide the following information:*
 - *First name, last name*
 - *Phone number*
 - *Date of birth*
 - *Address(es) for the last 5 years*
 - *A copy of your photo ID*
 - *A selfie*

TIP: If you aren't ready to provide this information yet, you can still continue with your application and complete the screening verification process at a later date. You will be required to complete this step prior to creating a listing OR signing a rental agreement

Finding Homes

Click on “Find Homes” on your dashboard. When you see a listing you like you can add it to your favourites by clicking the heart button.

To make a rental request, fill out the contact form inside the listing.

Reviewing a Match

When a match is created, you will receive a notification on Happipad and your email. Follow the prompts to review the profile of your match. If interested, you can message them and schedule a virtual or in-person conversation. If you are not interested, you can decline the match.
